

Application for funds from the ULCSC Endowment Trust

- **Purpose of the ULCSC Endowment Trust:** The Endowment Trust was established in 2000. The general purpose of the Trust is to augment the principles, objectives, programs and purposes of the University Lutheran Church and Student Center through projects such as outreach activities, scholarships, or capital improvements.
- **Applications for ULCSC Endowment Trust funds:** The Endowment Trust welcomes applications for funds from committees and individuals that further the goals of the ULCSC. Previously funded projects include: banners, microphone, Oktoberfest, kitchen and school supplies, and camping scholarships. If you wish to apply, answer the questions below and return this form to any of the current trustees listed on our web page at <http://www.ulcsc.org/endowment/> or the church main office. The Trust typically has made grants of from \$50 to \$500 but larger amounts can be considered. The trustees may choose to fund any request at a lower level than requested or not at all. Note that the Trust is required to deposit the funds to ULCSC and it is then up to the church to actually apply the funds for your request.

- **Specifications:**

Name _____

ULCSC organization (if affiliated) _____

Amount _____

- **Proposed use of funds:**

- **Justification:**
