## A Word from Pr. Joe

As we continue our discussion of how the Church marks Time, we are now coming to the Easter Season. After the season of Lent, we enter into the Triduum. The Triduum (Three Days) is that period of Holy/Maundy Thursday, Good Friday, and Holy Saturday. It is in itself a separate season of the year. This is the most solemn time of the ecclesiastical year. Keep in mind that “solemn” does not always mean it is without joy. It means that it is a serious time, a time of great dignity, a time when we should pay very close attention to the drama that is unfolding for us liturgically.

Easter begins with the Easter Proclamation and the lighting of the Paschal candle, which is done at

the Great Vigil. The Great Vigil is usually celebrated on the evening of Holy Saturday, or early in the morning on Easter Sunday, just before dawn. Our hope is that next year we can either return to doing the Easter Vigil here at ULCSC, or join again with St. Michael’s Episcopal. The paschal candle signifies the presence of the Risen Christ in our midst.

The Easter Season is just that, a *season*. It is not just a one-day event. Easter lasts for fifty days, or seven weeks. It is considered a “week of weeks,” or a “Sabbath of Sabbaths.” This is reminiscent of the biblical concept of jubilee, when every seven years, debts would be cancelled, slaves freed, property returned to its rightful own-

er, and work would cease (Lev. 25. 8-13) For us, Easter is just that time. Christ has paid the price for our sin. Our debt is cancelled. We are no longer slaves to this world, to sin, death, and the devil. We are indeed free. Therefore we celebrate the Resurrection for seven weeks, seven Sundays, in which we gather around Christ in Word and Sacrament, basking in the light of his glory, as we await the coming of the Holy Spirit.

May this Easter be a time of jubilee for you. May it be a time of forgiveness and peace, a time of freedom and release, and a time of joy.

Blessings,  
Pr. Joe+

As we move into “storm season” in Oklahoma, we want to remind everyone that if we have to close or cancel an activity or service, we will share it with all of the local television stations. We will also try to share it on the UCLSC Facebook page and Instagram page.

This is a good time to review the safety plan for ULCSC. Copies are placed throughout the building and marked with a red label that reads “Safety Plan.” Feel free to read through it. All we ask is that you replace it when you are finished.

We do not have tornado shelters in our building, but we have several interior spaces that would be the safest places to go at ULCSC. Some of those places are the men’s and women’s restrooms across from the conference room, classrooms 3 and 4 and the closet across from Tova’s office.

Now is the time to create a plan that we hope you never need to implement.

## The Quilters

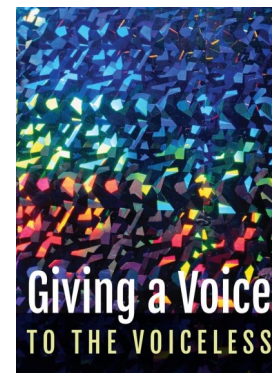

Creating and donating quilts to Lutheran World Relief for those in need is only a small part of what LWR does. In 2023 alone, more than 66,000 Ukrainian refugees received aid in Poland with help in providing temporary shelters, basic supplies and emergency cash because of Russian attacks. Quilts may be a drop in the bucket of what is needed in Ukraine and many other countries, but are a much appreciated drop!

University Lutheran Church Quilters have been part of the quilting for others ministry for a while now and invite you to join our group! We meet the second Saturday of each month at a new time, 11:00. Please come and see how reaching out to others can work!

## Voices for the Voiceless

On Sunday, April 14 at 4:30 p.m., Kelsey Herndon from The Spero Project will be presenting a talk at University Lutheran. Spero, the Latin word for “to hope”, welcomes resettled refugees to the Oklahoma City metro area by connecting them to people, resources, and learning opportunities to help give them a place of belonging. The Spero Project has been partnering with our Norman Coalition for Refugee Support in a few projects. The enthusiasm of this project is well worth experiencing!

PLUS, each Monday a member of our Caring Ministry delivers small bouquets of the altar flowers to shut-ins and members in need of a pick-me-up. Please consider claiming a Sunday soon so that we can continue adorning the altar and brightening the day for our members and friends. The cost of each altar array is \$45.00. Payments may be made online at <https://secure.myvanco.com/L-Z67P/home>. Or a check can be made payable to ULCSC with the notation "altar flowers" on the memo line. ## Applying Bible Principles

In the years prior to his assumption of power in Germany, Adolph Hitler was a master of deception. He made free use of the Christian vocabulary and talked about the blessing of Almighty God and the Christian confessions of faith which would become the pillars of his new state. He assumed the earnestness of a man who is utterly weighed down by historic responsibility. He handed out pious stories to the press, especially to the church papers. He showed his tattered Bible to many church leaders and declared that he drew the strength for his great work from the Word of God. According to one pastor, “He was actually able to introduce a pietistic timbre into his voice which caused many religious people to welcome him as a man sent from God.”

As the world learned to its horror in later years, Hitler was an impostor. He had only used these things to mask his real intentions and to fool people. He was what could be accurately labeled the “master hypocrite.” He said one thing while actually doing exactly the opposite.

When it comes to hypocrisy, Adolph Hitler was in a league by himself. None of us desires to be — or should ever be — compared to him or his despicable actions. However, when it comes to the Christian life, sometimes we, too, say one thing and do another. We pretend to be great students of the Bible, when we actually seldom look at the Book. We give the impression that we spend hours in prayer, when we very seldom engage in prayer except when at church. We pretend to love other Christians, when, in reality, we can’t stand some of them.

This kind of behavior is also possible when it comes to giving. We might like to convey the impression that we are “good givers,” and we might be reasonably successful in our efforts since other people usually do not actually “see” our financial situation and our giving. However, if we are trying to say one thing and do another concerning our giving to the Lord, we will be confronted by our deception every time we look at the register in our checkbook. Here’s why: Our checkbook will quickly and methodically strip away our pretense. We can deceive others; we can even deceive ourselves in many areas of life, but our checkbook always tells the truth about what is really important to us.

The Apostle Paul summed up this matter with this statement: the testimony of our conscience should be that “. . . we have behaved in the world with . . . godly sincerity, not by earthly wisdom but by the grace of God” (2 Cor. 1:12). In other words, by walking in holiness and sincerity that God provides in response to our obedience, what we do will match what we say, including in the area of giving.

Think about it: If your checkbook could talk, what would it say about you and about your giving to the work of the Lord at University Lutheran Church? Would it testify that you are walking in holiness and sincerity in your giving, or would it have a different story to tell?

## APRIL IS EARTH MONTH! HOW WILL YOU CELEBRATE?

Although Earth Day is officially April 22<sup>nd</sup>, the Green Team supports the idea that EVERY day is Earth Day! Here are ways you can celebrate Earth Month.

**2<sup>nd</sup> and 4<sup>th</sup> Mondays** at 7:00 p.m. OU's Styro-Home Club meets in the Fellowship Hall. Come and see how OU students are making time to actively support ULCSC's Green initiative in April & May.

**Weekdays** – The Densifier Dudes densify every week in the church parking lot. Days vary. Get “OJT” from the Dudes, and choose when you'd like to help. Call/text Doug Bowden (405-831-9951) for more.

**Sat. 4/6 – STEAMfest** at the Moore Public Library 11:00 a.m.– 1:00 p.m. Collect and densify foam at this kid-oriented annual event. **HOW I CAN HELP:** Contact Cathy Bowden to volunteer (greet guests, help feed foam into the densifier, sort foam on site, etc.)

**4/14** – between church services – Our **7<sup>th</sup> Annual Earth Day Plant Sale** to benefit the Green Team's work. **How You Can Help:** Donate plants for the Sale by bringing them to church from 4/12 – 13 and leaving them on the tables in the entryway. Examples: Chrysanthemums and day lilies you divided, ground cover, cleaned-up house plants, herbs, newly planted tomatoes, and even a few 6-packs of annuals can be helpful! If you'd like, plant in clean foam cups and small coolers from the Styro-Station. Volunteer to be at the table to answer questions, help box or sack plants that are chosen and keep the table tidy! It's the only Green Team fundraiser. Let's work together to care for Creation!

**4/21 – Norman's Earth Day Festival at Reaves Park – noon to 5:00 p.m.** The Green Team and members of Churches Caring for Creation will host an information booth where FAQ sheets about foam recycling and GREENSpeak events will be given away. There will be a children's activity area for coloring, puzzles and giveaways. The *Norman North Environmental Club* will help by working with the children. The Densifier Dudes will have the densifier running in the parking lot. **How to Help:** Tell your friends about the event so they can bring foam and see it densified. Volunteer to spend an hour or 2 at the Information table handing out FAQ sheets. It's fun! **Early Service people** can help by setting the canopy & tables up in the park so all will be ready by noon. If you're a Densifier Dude, please sign up to densify.
